All,

This may prove a useful tool in the future: <http://doodle.com/>

Patty, if it would simplify things, I could set a poll up for next week. Let me know!

Patty – Thursday 5/18 I have 11 am to 3 pm available. Would not be able to stay until 4 pm. But if you scheduled 12-3 instead of 1-4 it could work?

I would like to have a FYR Team meeting next week, if possible – does Wednesday, May 17 (1-4 PM) work for everyone? Please let me know.

I would like to discuss:

- Appendix I, Responses to Stakeholder Input
- Appendix G, Site Inspection Checklist
- Rad-NESHAPs as an ARAR
- EPA and CDPHE comments that might need discussion
- Anything else we may need to discuss before the document is finalized
